*Innovation  
Guided by Our  
115 Year  
History*

A Message from the  
President of the Board:  
**Planning The Future –  
With God’s Help**

By Bill Van Dyke  
President of the Board of Directors

**W**e have again witnessed the rebirth of nature following a winter which produced an unusual amount of snow, followed by major storms which included high winds, falling trees, power outages and flooding. The Home was confronted with a series of emergencies due to the weather. Employees responded in remarkable fashion by arriving early, “before the storms’ full fury, working additional hours and even spending the night in order that our residents would be cared for.” We thank God for a dedicated staff.

The Holland Christian Home, thanks to the outstanding efforts of Executive Director Carol Moore and the Administration, continues to enjoy full occupancy while other senior facilities in our area are experiencing significant vacancies. The Board of Directors also continues to be proactive in planning the future of the Home. A consulting firm has been retained to advise us as to how we proceed with the continued improvement of our facility and best react to the changes in health care. The Home’s website has also undergone a complete redesign. Please visit the site at [www.hollandchristianhome.org](http://www.hollandchristianhome.org) to remain up to date with the various activities and events.

Later this year the Home will celebrate its 115th Anniversary. The Annual Dinner commemorating this milestone will be held at The Tides Estate on September 22. We are honored to have Dr. Richard J. Mouw, President of Fuller Theological Seminary in Pasadena, California, as our keynote speaker. Please mark your calendars to reserve the date for this special event.

We also mark the retirement of Dr. Richard Rosendale following six years of service on the Board of Directors. We sincerely thank him for his significant contribution to the Home. Dr. Rosendale was an advocate of providing the highest quality of life and care for our residents. His expertise and professional input will be missed.

Continue to remember the Home in your prayers as we attempt to plan for the future. With God’s providence, and the involvement of so many faithful supporters, the Holland Christian Home will continue to be a haven for our seniors for many years to come.

Sincerely,

*J. William Van Dyke*

# Tools for Better Care

By Carol Moore, Executive Director/Administrator

**I**nnovation and technology have led the way at the Holland Christian Home in 2010. As you will read in more detail later in this issue of *The Happenings*, we initiated our new electronic medical records (EMR) system in Mountain View, our nursing unit. Staff from SigmaCare trained our staff in the first quarter of this year. Our physicians, nurses, dietician, social workers and activity staff are reducing paperwork which results in both improved efficiency and accuracy in documentation and, therefore, more time devoted to one-to-one patient care. Improved medication monitoring and administration is also one of the most beneficial aspects of EMR.

It has been a challenge to convert a paper-based system to an electronic one. A special word of thanks to all of our nursing staff and our leadership team for the EMR program: Relinda Correa, Director of Nursing; Eileen Pantoliano, Assistant Director of Nursing; and Rosemarie De Falco, Medical Secretary. Congratulations on a tough job well done!

I am also excited to tell our residents about a new technology available to them at the Holland Christian Home: Skype is now available on the Internet in the Resident Computer Room. Skype is a way to make video calls via the Internet. One can now see and hear friends, family and grandchildren all over the world! Activities Director Judy Gaus-Leahy will implement and assist residents with training. We appreciate the suggestion of resident families who led us to putting this in place. Our hope is that this will be an easy-to-use tool to connect our residents with loved ones and friends they normally would not see because they live far away.

The best care comes from an environment of Christ-centered love and strong relationships. The Home is committed to using innovative tools and technology in the service of our mission to provide the best possible care.

# The Unnoticed Miracle of Giving

By Eric Fluit, Spiritual Director

**I** was told recently by a resident that I should be thankful for the work of the Warm Up America! program because it assists me in my work here at the Home. And I certainly am thankful! Recently, I was called upon to utilize my lanky frame to take down the afghan that hangs in the hallway outside of the Main Dining Room; it was time to update the current number of blankets residents have donated to people in need since this program began at the Home in 2000. To date, over 1,500 blankets have been donated... and that number is increasing all the time!

While the recipients of the blankets see the obvious benefit of such a program, there is also a tremendous benefit to those who take the time to knit and crochet. The challenges of poor eyesight, arthritic fingers and chronic pains are often no match for the determination our residents demonstrate because they know God is using them to be a blessing.

This is one of the unnoticed miracles in our lives: it is practically impossible for us to give something to another person without receiving a blessing ourselves. As God's Word declares, "It is more blessed to give than to receive." Participating in the Warm Up America! program – or doing one of the many other acts of service around our Home – is one way residents remain spiritually strong. It combats the nagging sense that many seniors face in their later years, when they feel a lack of purpose in their day-to-day lives.

So, I suppose I will have to agree with this resident. In addition to all the other blessings of the Warm Up America! program, my work and that of all the staff and volunteers of the Home is blessed by the privilege of having residents who not only know the satisfaction of serving, but also set an example to all of us of how to live a life of service. Thank you!!

# Innovation, Guided by Tradition

**T**he leadership of the Holland Christian Home constantly strives to uphold our founding, Christian values in an increasingly complex and rapidly changing health care environment. But they have also remained committed to changing to meet the needs of today's seniors. It can be a difficult line to walk, and often requires innovative thinking.

Perhaps the most significant of these recent innovations is the Home's transition to an electronic medical records (EMR) system in Mountain View, our skilled nursing unit. It represents a major investment in technology and staff training – but it's a wise investment for the long-term care of our residents.

The system utilizes portable electronic devices – portable data assistants, or PDAs – that communicate wirelessly with computers in Mountain View. As a nurse examines a resident, she can make notes and do her charting directly on the PDA. The information is stored instantly and securely in the resident's central records. In addition, multiple staff members can access records at one time; so, for example, a nurse can be checking blood-pressure readings or medication records while a member of the activities department makes notes about what they observed during a fitness activity. The goal is enhanced efficiency, clarity and comprehensiveness of information.

“In traditional nursing notes you deal with narrative description, and very repetitive notes must be written out long-hand,” explains Relinda Correa, the Home's Director of Nursing, “but the EMR system utilizes menus and choices that are clearer and quicker. A nurse can make a simple check next to a medication to record that it has been given, rather than writing it out by hand. It saves time, is clearer, more concise and accurate.”

---

*“It saves time, is clearer, more concise and accurate.”*

---

The long-term goal, as always, is to provide our residents with better care. The efficiencies in the system will provide nurses with the opportunity to spend less time charting and more time on direct patient care.

Our nursing staff is finding other benefits to the system besides efficiency. “We’ve seen nurses ‘buddying up’ a lot more,” notes Rosemarie DeFalco, a medical secretary and member of the Home’s EMR transition team. “Those who are more familiar with computers have been helping their co-workers who are more tentative. There has been a lot of teamwork.”

The Home’s Board and staff leaders are also reading the tea leaves, and anticipating changes that may come through efforts at the federal level to reform healthcare, or at a minimum, reduce healthcare costs. Adopting a comprehensive EMR system now better positions the Home to react to future changes.

*The Home’s transition to electronic medical records required training on computer software (top) as well the use of PDAs (above)”*

***A retirement community doesn’t last without change. But innovation that is guided by traditional values results in exceptional care.***

# Welcome New Residents

**PETER & MARION BORDUIN** were among several residents who recently moved to the Home from Ballentine Drive in North Haledon, where they lived for 44 years in a house Peter designed. Marion worked as a legal secretary, and Peter was an architectural hardware consultant (ask him what that is!) for 50 years. They are active members of Cedar Hill Christian Reformed Church (CRC). “We love it here,” says Peter, “and have since Day 1!”

**DOT BREUR** describes her move to the Home as “like being on vacation in a classy hotel!” Dot comes to the Home from Prospect Park. She worked as a bank teller for 17 years and cared for her late husband Neil, who lived with multiple sclerosis. Dot enjoys crafts, crocheting, embroidery and jigsaw puzzles. She is an active member of Covenant CRC, where she serves as a Story Hour leader, among many other roles!

*Photo by Alan Ackerman*

**JIM & BERTHA JACOBS** lived in Hawthorne for over 50 years before moving to the Home. Jim served in the Army Air Corps and later worked for Little Falls Laundry and as a custodian in the Hawthorne school system. Bertha worked as a bookkeeper before marriage and again after their children had grown. They are members of Unity CRC and are still active delivering Bibles to St. Joseph’s hospitals in Paterson and Wayne.

**LOIS JOBSON** found familiar faces at the Home when she moved here from Franklin Lakes, her home of 50 years. There were 6 friends here she has known for more than 70 years. “We met in kindergarten,” she recalls. Lois worked as a part-time nurse at The Valley Hospital in Ridgewood for 30 years. She is a member of Hawthorne Gospel Church where she taught a ladies Bible study for 25 years.

**XANIA RYAN** comes to the Home from Kearny, where she was a kindergarten teacher for 47 years at St. Cecilia’s Elementary School. Xania was also once a professional dancer and still loves it, though she no longer dances herself. Today she enjoys sewing and reading. She is thankful for her 5 children (one of whom discovered the Home for her), 17 grandchildren and 15 great-grandchildren. Xania is a member of St. Cecilia’s Roman Catholic Church.

**MARY SCHMIDT** moved to the Holland Christian Home from her hometown of Bloomfield. Her son found the Home for her. “I’ve enjoyed every minute of it,” she says with a smile. “How could you not be satisfied?” Mary is a dedicated prayer warrior with a positive outlook on life. She was a member of the Chapel on the Hill in Cedar Grove and still looks for ways to give of herself.

*Photo by Alan Ackerman*

**MARIE TEITSMA** experienced something of a homecoming when she moved to the Home from Wayne. She had lived in North Haledon for many years and raised her family here. Marie enjoys volunteering and has served at Eastern Christian School’s Corner Closet thrift store and the Christian Health Care Center Gift Shop, de Snoep Winkel. She also enjoys spending time with her family (4 children, 8 grandchildren and 3 great-grandchildren). She is a member of Faith Community CRC.

# Winterfest Celebrates

## Employee Excellence

A three-day snowstorm postponed the celebration until closer to spring, but the Holland Christian Home's Board again threw their annual Winterfest party to thank the Home's staff for their work. The theme for the party was "Our Mission: Excellence" and the evening was an opportunity to build the kind of relationships that make the Home a special place to live, work or serve. In addition to formal recognition of staff members that reached milestones in their employment at the Home, the evening included food, fellowship and karaoke!

*Nothing is better than karaoke for breaking down barriers among staff and Board members!*

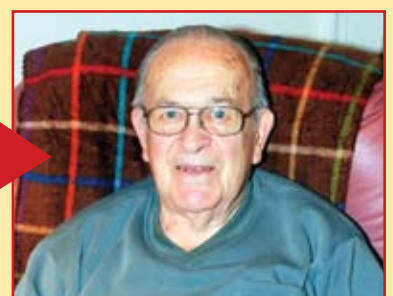

### AMONG THE STAFF MEMBERS HONORED FOR REACHING MILESTONES IN THEIR YEARS OF SERVICE WERE:

- |                 |                  |                  |
|-----------------|------------------|------------------|
| <b>5 YEARS:</b> | <b>10 YEARS:</b> | <b>20 YEARS:</b> |
| Bryan Bushoven  | Betty Quick      | Rosa Laboy       |
| Joyce Ferraro   | Catherine Swede  | Santos Rodriguez |
| Anthony Grilli  |                  | Florett Williams |
| Richard Kuiken  | <b>15 YEARS:</b> |                  |
| Rachel Kuperus  | Hyacinth Blake   | <b>30 YEARS:</b> |
| Bruce Steyling  | Amparo Mosquera  | Shirley Sweetman |
| Kristen Tanis   | Ana Revollo      |                  |

**KATHRYN TEN KATE** has deep roots in her hometown of Wyckoff, where she lived prior to her move to the Home. She once served the Township as a secretary, and her late husband was once mayor. A lovely picture of her former house, painted by one of her granddaughters, graces her room. Kathryn enjoys sewing, crocheting and knitting. She is a member of Cedar Hill CRC where she once served as secretary.

**DON VAN VALKENBURGH** enjoys travel – a habit he picked up while installing and servicing industrial machinery around the eastern half of the country. Today, Don travels to visit family, including grandchildren in Hawaii, one of whom was a member of the 2005 Little League World Champion team! Don moved to the Home from Prospect Park, where he lived for about 60 years. He is a member of Cedar Hill CRC.

**DOT WOUDEBERG** was born, raised and lived in Prospect Park for 84 years before her move to the Home. She enjoys reading, walking and volunteering. Dot served at Eastern Christian School's Corner Closet thrift store as long as it was open as well as with the E.C. Ladies Circle. Today she helps out with 3-year olds at Sixth Reformed Church's Mothers of Pre-Schoolers (MOPS). Dot is a member of Unity CRC.

*Photo by Alan Ackerman*

Residents of the Home enjoyed their visit with Crossroads Director Tom Henion (back row, left), the Center staff and children.

## Knitting Ties of Love for the Kingdom

**O**ne of the most important benefits of being a resident at the Holland Christian Home is independence. Our residents are free to come and go as they please, and to spend their time as they want. It is a testament to their values, then, that so many choose to spend their time giving back to the community and living out the example of Jesus' loving service to others.

The relationship that has grown over the years between residents of the Home and the ministries of Madison Avenue Christian Reformed Church (CRC) in Paterson is just one example.

Most recently, the Home's Warm-Up America! program donated blankets to the Christian Child Care Center of Madison Ave Crossroads Community Ministries. A group of 8 of the Home's knitters travelled with Spiritual Director Eric Fluit to Madison Avenue CRC in mid-January to deliver the blankets in person and meet the children of the Center.

Though most were initially shy, the children slowly warmed up to the residents and began sharing stories and toys with them. The residents also had the opportunity to meet the Center staff and hear more about their ministry from Center Director Debra Algera and Crossroads Executive Director Tom Henion.

Crossroads is the community outreach and development arm of the church and includes the childcare center, as well as a food pantry, English-as-a-Second-Language (ESL) programs, a seniors' group, youth dance troupe, and discipleship houses for men in recovery from drug and alcohol dependency. The Childcare Center is about 25 years old and serves as a lifeline to working parents in the community.

The blankets donated by the residents of the Home are well-received by these hard working parents. Tom states, "They are a blessing to the parents, who can't believe someone would take the time to knit these blankets for their children."

The relationship between the Home's knitters and Crossroads goes back many years. It began with a donation of adult-sized blankets for men in recovery in their Discipleship House. However, Crossroads found that as the men graduated, they wanted to keep them; so it's grown into an ongoing gift – with 10 more delivered in mid-March.

"There's an assumption out there that once you're older you can't be productive," Tom says, "but this shows that's not true. This is an example of seniors reaching out and really showing God's love and making an impact in the lives of children and men in recovery."

# Holiday Scrapbook

“Home for the Holidays” means something else entirely at the Holland Christian Home. Thanksgiving, Christmas and Easter are special because they are among the days that bring our residents, family members, Board, staff and volunteers all together to share the joys of the seasons as a community.

# Songs & Services

Christmas at the Home is filled with songs of the season, sung by residents and visiting groups and choirs throughout Advent. Residents also get into the Christmas spirit by giving – this year to Operation Christmas Child's Boxes of Love program (lower right)."

## 2010 Volunteer of the Year

The Holland Christian Home named its 2010 Volunteer of the Year at the annual Volunteer Appreciation Luncheon in April. This year, the staff of the Home recognized the efforts of Bill Van Dyke, President of the Home's Board of Directors. In addition to his board service, Bill is a fixture at most every important event or activity at the Home. Bill lends more than his time, however; he also gives freely of his talents –singing at Christmas events and even anchoring the Board's karaoke team at the Winterfest celebration.

*Bill receives his award from Activities Director Judy Gaud-Leahy (left) and Executive Director/Administrator Carol Moore (right).*

## HONOR ROLL - SEPTEMBER 1, 2009 – MARCH 31, 2010

The Holland Christian Home is blessed to have the support of so many families and friends. Their generous contributions and memorial gifts are deeply appreciated by everyone at the Holland Christian Home and Holland Christian Home Foundation.

**OUR MISSION**

**The Holland Christian Home** is a retirement and support service community of men and women, bound together as a family by a common faith in Jesus Christ our Lord. With hearts to love and hands to help, our staff, volunteers and Board are dedicated to the well-being of our residents through the nurture of devoted care; a warm, homelike atmosphere; loving and friendly companionship; and a strong covenant relationship.

**ADVANCE NOTICE!**

will be held at 6 PM  
**SEPTEMBER 22, 2010**  
 at **THE TIDES ESTATE**  
 in North Haledon

Featuring Dr. Richard Mouw  
 President of Fuller Theological Seminary  
 As Guest Speaker  
 And an encore appearance by  
 The New Jersey Homeschool  
 Association Men's Ensemble

# Ladies Discover the

# 'Art of Joy'

## at Annual Breakfast

Since it was founded, the Holland Christian Home has enjoyed special support from a community of dedicated women. We celebrate this bond each year with our Ladies Breakfast.

The 2010 Ladies Breakfast was held on Saturday, April 24 at The Brownstone Inn in Paterson. It was a wonderful morning of fellowship that also raised funds for the purchase of personal data assistants (PDAs) that are a necessary component of the Home's new electronic medical record (EMR) system.

Nursing Director Relinda Correa shared details of the transition, and Jewel Snyder shared her experiences as a resident of the Home. The keynote speaker was Carol Mutch, Pastoral Resource Coordinator at The Christian Health Care Center. Carol has also served at Skidmore College and The Dalton School in New York City. She has held numerous leadership positions at the classis and synodical levels of the Reformed Church in America including a term as President of the RCA General Synod. Carol shared her thoughts on "The Lost Art of Joy" and challenged the women present to take steps that produce deep, lasting joy in their lives rather than mere fleeting happiness.

The ladies also enjoyed several songs from the musical 'Cinderella' presented by Eastern Christian High School. Director Jane Okma led Katie Johnson, in the role of Cinderella, and Jennifer Pellegrino in the role of her Fairy Godmother.

The Breakfast included a silent auction of dozens of interesting items, ranging from handmade goods to exciting gift certificates. Our thanks to everyone who contributed to making this event such a success.

Resident Joan De Bruin, her daughter Donna Hoogerhyde and HCH Board Member Ginny Steensma chat before the program begins.

Sisters-in-law Jean and Kathy Lindsay were among many generations and family members of women that enjoyed the Ladies Breakfast together.

Rebekah Schuit, Infection Control Nurse, and Finance Director Karen Bandstra were among the Home's staff members who attended.

Speaker Carol Mutch challenged the women to rediscover "The Lost Art of Joy."

# Foundation Report

**T**he Holland Christian Home Foundation is completing its first year of raising funds in support of the Home's transition to the SigmaCare electronic medical record (EMR) system. Entering the second year, thankfully many of our faithful friends continue to support the project with special gifts. We thank you all for your prayers and continued support. Since SigmaCare is used most in Mountain View, our special care Nursing Unit, this support most benefits those residents with the greatest medical needs. As of today we have raised over \$70,000 toward our goal of \$130,000. Praise God for such faithful friends of the Home!"

Richard Kuiken  
*Executive Director for  
Foundation/Development*

## HOLLAND CHRISTIAN HOME FOUNDATION CHARITABLE GIFT ANNUITY **WHEN OLDER IS BETTER!!**

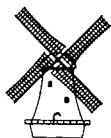

### HOW TO GET MORE INCOME DURING THESE TIMES OF LOW INTEREST RATES

When a donation is made to the Holland Christian Home Foundation in exchange for a Charitable Gift Annuity, the Foundation will provide that person with an annual income based on their age. For example, if someone is age 85 when they make their charitable gift annuity, the Foundation will provide them with an annual income of 8.1% for the rest of their life. The rate can go high as 9.5% for those 90 and over! Most of the income is tax-free over a person's life expectancy, and the initial gift may qualify for a charitable income tax deduction in the year it is made. Please call the Foundation office for more details at (973) 427-4087.

## OTHER WAYS YOU CAN SUPPORT THE HOME

**CEMETERY PLOTS:** The Holland Christian Home Foundation has received the gift of cemetery plots from friends and families. We are pleased to offer these plots for sale. Plots are available at Laurel Grove in Totowa, Locustwood Cemetery in Erlton, Valleau Cemetery in Ridgewood and Cedar Lawn in Paterson. For more information please contact the Foundation office at (973) 427-4087.

**AUTOMOBILES & HOMES:** Throughout the year, the Foundation receives gifts of automobiles. In addition, homes can be used as a means of donation. Many people choose to give a percent of the sale of their home. With the high asset value of homes, this is great means for gift giving. It is important to remember to specify this donation choice before listing with a broker. Both of these gift choices provide wonderful tax savings to the donor. For more information, please contact the Foundation office at (973) 427-4087.

As always, your generous support is greatly appreciated by our staff and residents!

## SAVE THE DATE: SEPTEMBER 22, 2010 115TH ANNIVERSARY CELEBRATION!

In thankfulness for 115 years of God's faithfulness, The Home will celebrate with a dinner on September 22, 2010 at 6:00 p.m. at The Tides Estate in North Haledon. We are honored to welcome Dr. Richard Mouw, President of Fuller Theological Seminary as our speaker. Rev. Norman Brown of Cedar Hill Christian Reformed Church will serve as our emcee, and the New Jersey Homeschool Association Men's Ensemble, under the direction of Mrs. Beth Prins, will return to share their musical talents. Our goal is to support the Home's transition to an electronic medical records ( EMR ) system. Please plan now on joining us for a night of thanksgiving and praise to our faithful God.

*Richard J. Mouw, PhD has served as President of Fuller Theological Seminary since 1993. A philosopher, scholar, and author, Mouw previously served for 17 years as Professor of Philosophy at Calvin College in Grand Rapids, Michigan. In 2007, Princeton Theological Seminary awarded Mouw the Kuyper Prize in recognition of his contribution to Reformed Theology and Public Life.*
